# 24th Annual World Championship Bingo Tournament & Gaming Cruise

First, hear what our cruisers say about the one, the only, the original Bugle Cruise.

“ The folks who run the Bingo Tournament are knowledgeable and fun. But really, the whole trip is good. There's the casino and the live shows, the live music all around the ship, the pools—even sitting down for a game of cards is extra fun on a cruise ship. ”

— Carol Benz

Le Center, Minnesota

“ I love Bingo, and I love the job they do with the tournament! It's great fun! ”

— Joan Manicci

Port Orchard, Washington

“ The Bingo Cruises are the only cruises I've ever been on, and I've looked forward to every single one. I get all my Christmas shopping done during the cruise, either on the boat or at the shops nearby. ”

— Lorraine Brown

Livonia, Michigan

“ Wow, this is an amazing vacation! Why did we wait so long? ”

— Sandi Dunne

Mississauga, Ontario

# Exquisite Eastern Caribbean

**Nassau.** It's easy to see why Nassau, the capital of the Bahamas, is also one of the most popular ports in the Caribbean: picture an idyllic place with stretches of perfect white-sand beaches, gracefully swaying coconut palms offering oases of shade, and warm, crystal-clear waters revealing the secrets of incredible multi-colored marine life. Whether you spend the day shopping for duty-free gifts and mementos, taking a carriage ride past sorbet-colored buildings, or touring in a glass-bottom boat, chances are you'll leave this happy place in the Bahamas with lots of beautiful memories.

**St. Thomas.** This stunning island is a treasure trove of shopping options, but there's more to this shopper's Shangri-La than an international array of perfume, jewelry and luxury goods. This U.S. Virgin Island also claims not only one of the world's most beautiful beaches—the heart-shaped Magens Bay—but a world-renowned golf course, coral reefs, wildflower meadows, and a spectacular aerial tram ride to the soaring views of Paradise Point. Thirty-two square miles of paradise awaits you here.

6

**St. Maarten.** Experience the unique food, style and hospitality of two separate countries in one exotic West Indian island. St. Maarten is divided between French St. Martin in the north and Dutch St. Maarten in the south. Both sides of this beautiful island offer gorgeous ocean vistas, gourmet cuisines, first-rate water sports and beaches and some of the best duty-free shopping in the world.

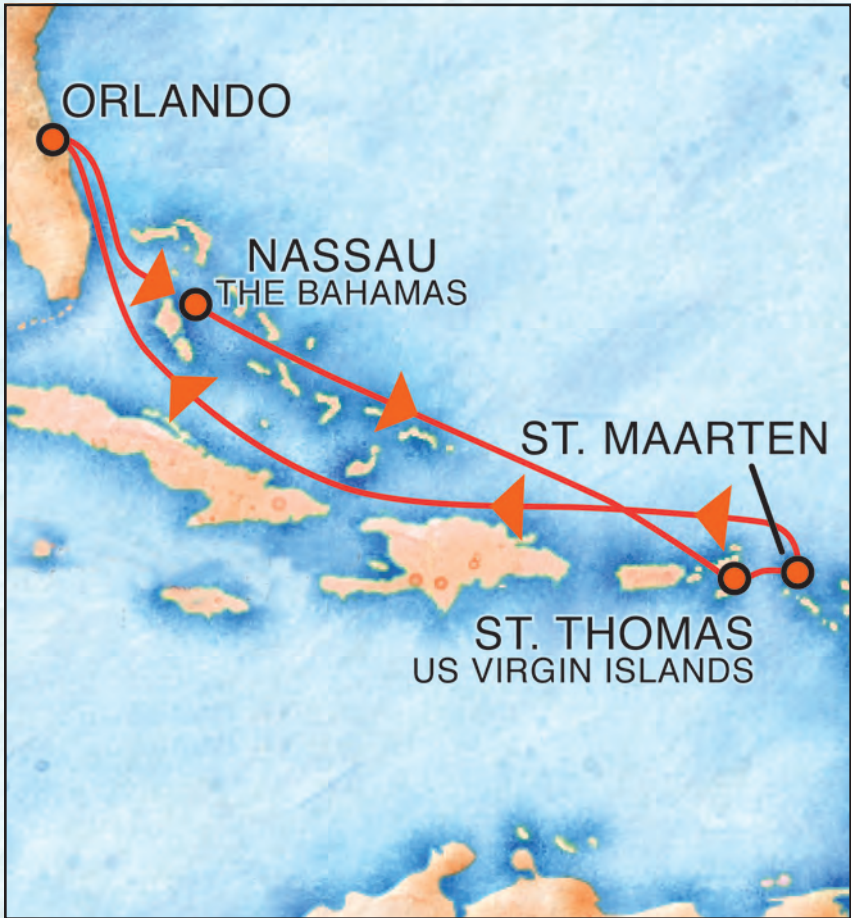

## Optional Shore Excursions.

Carnival Cruise Line offers a wonderful variety of optional tours to help you fully appreciate the cultural richness and natural beauty of your Eastern Caribbean ports. You may pre-order shore excursions online or book them aboard the ship. Call Roxanne Vasquez at 888-352-2464 for more information, or visit us online at <http://www.bingobugle.com/cruise>.

# Cruise Companion Program

If traveling alone, we can assist you in finding a cabin companion to share the fun, excitement (and expense) of your Bingo Bugle Cruise. We collect basic demographic information from those wishing to find someone to cruise with. We place this data on our companion list and periodically mail a copy to everyone on the list. We leave it up to you to contact one another and determine if you are compatible. When you select someone, call our cruise specialist, Roxanne Vasquez, and she will book the two of you into the cabin of your choice. Please note that we do not share your information with anyone who is not on the companion list.

# Dear Bingo Cruiser

Following is what we like to call "the fine print." It's extremely important that you read and understand the following "Terms, Conditions, Cancellation and Penalty Clauses" of Bingo Bugle and Carnival Cruise Lines. Bingo Bugle acts only as an agent for this company. Our cruise specialist, Roxanne Vasquez, will be happy to answer any questions you may have.

**Carnival Cruise Lines:** Carnival neither controls, nor operates, nor is responsible for the actions of independent contractors such as airlines, ground transporters and tour operators. Carnival denies any responsibility or liability for late arrival of your flight or any illness, injury, damage, loss of cruise time or other irregularities resulting there from. Carnival's responsibility does not extend beyond the vessel. You are responsible for arriving at the embarkation port on time for boarding and for joining the vessel at its next port of call if, for any reason, you miss a scheduled sailing. Carnival reserves the right to refuse or discontinue passage to any one when, in Carnival's judgment, it would be considered a risk to his/her own well being or that of any other passengers. Each person is allowed up to 200 pounds of personal luggage on board. However, if you are traveling by air, your airline might have different restrictions. Please contact the airline for such information. Passengers are responsible for fees assessed by airlines for checked bags. Airlines and Carnival Cruise Lines have limited liability for loss, so be sure all baggage and personal belongings are properly insured. Suitcases should be securely locked and tagged. Items such as medications, jewelry, other valuables and important documents should be hand carried. Carnival Cruise Lines does not assume responsibility for loss or damage of these items.

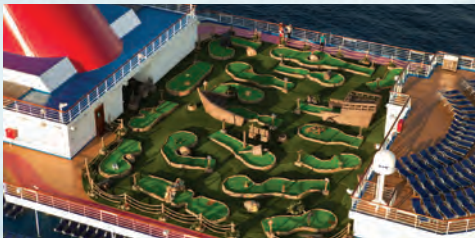

**Passengers With Special Needs:** Wherever possible, Carnival will try to accommodate people with physical or mental disabilities. All ships have staterooms designed for people with physical disabilities. Feel free to call us in regards to your unique requirements.

**Cancellation & Refund Policy:** A full refund will be made for written cancellations received by Bingo Bugle by 8/3/2012. Passengers who cancel after this date (FOR ANY REASON INCLUDING MEDICAL) are subject to the following cancellation fees:

- \$250 per person for any cancellation between 8/4/12 - 8/14/12.
- 50% of total (less tournament fees) for any cancellation between 8/15/12 - 9/21/12.
- 100% of total package price (less tournament fees) for any cancellation after 9/22/12 to sailing.

Refund requests must be made in writing.  
Processing time for refunds is approximately  
4 to 6 weeks.

We highly recommend the purchase of Trip Cancellation Insurance for your protection. Information on Trip Planning Insurance will be sent to you at time of booking. **We must have your decision in writing on file before we can release travel documents to you. A form for this purpose is enclosed with your initial booking confirmation.**
