Tattoos and Taxes

Most computer errors can be attributed to a similar problem...a screw loose behind the keyboard.

- LA Murphy, Computers

Dear readers, I'm still in a foul mood. As I previously related, my laptop crashed and everything disappeared into cyber space, never to return. So, I bought a new one and now I'd like to crash my new one by throwing it into a wall. The older we get, the harder it is to retrain our brains for new techie thingies. My photo editing won't let me sign in; my Word program is totally different, and I'm losing my mind trying to get this column written with the new program. Woe is me, but enough of my misery. That is, unless I fill you in on our recent cruise to the Caribbean.

Two days before we sailed, my husband had to go to Urgent Care, then the ER, both of whom refused to treat him for a bleed because of his blood thinners; referring him to an ENT doctor the next morning. Then, I fell down the stairs as I got off the boat in Cozumel. It took Bob, two attendants, and a crane to get me up with bruised and bloody knees. Last, the parting gift as we left the ship was a bad case of the flu. We drove straight home and started on Tamiflu and spent a week

recuperating. OK, I'm done whining now and will move on to the next topic except for my good news. While I was on the cruise, I won the final game of bingo on the last day. My prize was a free tattoo and another cruise. So, I have a bingo ball with the number one on it tattooed on my butt. That's real dedication for a bingo lover.

April 10 is National Sibling Day and approximately 80% of us have siblings. Richard, my younger, likes to torment me by sending me lottery scratchers for my birthday that he has totally or partially scratched off. He also likes to tell me the ending of books he's finished while I'm still reading them. As for my elder, David, our job as kids was to do the supper dishes. We started arguing and he picked up a mustard squeeze bottle and sprayed it all over my face. I screamed, David laughed, and so did my mother. What was up with that as I was the only daughter and my brothers called me the princess. Guess mom forgot and I eventually forgave him. My only regret is that I don't have a photo of my mustard face.

Lastly, April 15th is Income Tax Day. The first personal income tax was enacted in 1861 to help pay for the Civil War and was finalized by the Constitution's 16th amendment in 1913: Congress shall have the power to lay and collect taxes on income. Bah humbug. That includes paying a tax on bingo winnings over \$600 where I live; also, on lottery winnings, or casino winnings. Again, bah humbug. How appropriate that April 15th is also National That Sucks Day. Until next month, may Lady Luck blow you kisses as you dance out the door with dollars. Win big and April Fool: I did not win a cruise or get a tattoo of a bingo ball on my butt as that would look like a postage stamp on a billboard on my oversized behind. Contact: nlpvzw6172@gmail.com

Horoscopes for April 2025

ARIES (MAR 21-APR 20): With your ruler moving through Cancer, you've entered an intense phase of change. Prepare to shed old identities that no longer serve your well-being. Let them drop away without fuss. Discipline applied to any project or pastime will pay off big time now.

Lucky Days: 7 - 29

Lucky Numbers: 8 - 19

TAURUS (APR 21-MAY 21): With spring in the air, April is an excellent month to take a short journey to free your mind from troubles or pressures. Bulls benefit when they get outside and settle into nature. This revitalizes all aspects of your character. No other sign is as closely aligned to the Earth as yours.

Lucky Days: 9 - 11

Lucky Numbers: 3 - 44

GEMINI (MAY 22-JUN 21): You're contemplating life's big questions now, and you'll benefit by finding someone to assist you with your desire to know and understand more. Don't shy away from aligning with a teacher or instructor who can guide you into new paths of inner illumination.

Lucky Days: 23 - 27

Lucky Numbers: 28 - 50

CANCER (JUN 22-JUL 22): You're like an oven with its temperature set permanently to high this month. There is so much baking going on; you need to schedule some timeouts so you don't burn out this month. The full Moon on the 12th allows you to leave a relationship that doesn't serve you.

Lucky Days: 7 - 11

Lucky Numbers: 4 - 25

LEO (JUL 23-AUG 23): Ask yourself where you should focus your time and attention. Facts and truths are essential to acknowledge now. This might require taking some time away from fantasizing and dreaming and making firm declarations about where you're headed and how you are getting there.

Lucky Days: 3 - 11

Lucky Numbers: 29 - 49

VIRGO (AUG 24-SEP 23): With so many planets in your opposite sign now, you might feel like the odd man out. But don't let this

period of high tension dull your spirits. You are being given a crash course in how to mature gracefully. Honor the skills you've developed. Use them.

Lucky Days: 6 - 18

Lucky Numbers: 33 - 39

LIBRA (SEP 24-OCT 23): The full Moon in your sign on the 12th initiates a series of abrupt revelations regarding your social life. You are looking to spend more quality time with fewer individuals. You're an excellent negotiator. Find ways to skillfully ask for what you wish to receive from others.

Lucky Days: 5 - 12

Lucky Numbers: 3 - 49

SCORPIO (OCT 24-NOV 22): Modern culture puts undo pressure on being positive. But sometimes, you need to allow yourself to complain and be dissatisfied. This is a great month to acknowledge disappointment and turn irritation into inspiration. Don't pull punches.

Lucky Days: 1 - 11

Lucky Numbers: 33 - 52

SAGITTARIUS (NOV 23-DEC 21): Find ways to express your unconventional nature. Your untethered side must be allowed to roam free this month. Remember, half of your zodiac symbol is a horse! The full Moon on the 12th will enable you to turn your poetic perspective into a reality.

Lucky Days: 7 - 9

Lucky Numbers: 21 - 50

CAPRICORN (DEC 22-JAN 20): Explore what irritates you most this month. It doesn't serve you to keep a lid on your frustration. It's not good for your health. The full Moon on the 12th puts your work relationships under the spotlight. You may need to confront a colleague who isn't giving credit where it is due.

Lucky Days: 4 - 8

Lucky Numbers: 33 - 46

AQUARIUS (JAN 21-FEB 19): If you are frustrated now, it is most likely related to out-of-whack power dynamics. You prefer your independence, but sometimes, to get the results you desire, you'll need to commit firmly to a strict schedule that promotes getting results.

Lucky Days: 4 - 17

Lucky Numbers: 6 - 35

PISCES (FEB 20-MAR 20): Inspiration is heightened by those in your close circle who openly acknowledge your gifts. There's nothing like appreciation to settle the heart and foster a sense of security in a crazy world. Let others know how much you care, as well.

Lucky Days: 18 - 25

Lucky Numbers: 33 - 39

Get Back Jack

We met Jack at a Native American casino where we were intrigued by his approach to Bingo. He played the game as if it were an opponent he had to defeat. First, he chanted, then implored, then tried to bribe for the number he wanted. “Come on, Baby,” he would say. “Gimme a four, a four, a four,” or “Fifty-five that’s my number. I’ll take you for a drink if you give me fifty-five.”

“Whom are you talking to?” I asked.

“The gods of chance,” he said. “Or anyone who may be listening.”

Then he had symbols that were supposed to have special meaning.

“Dime on the free space. Dime on the free space,” he’d say and actually put a dime on the middle square.

“Yellow, yellow, yellow submarine,” he’d say, using his yellow marker and daubing wildly.

I was surprised he ever won anything with all that activity going on, but he did and quite regularly. Once, he grabbed my card and exchanged it for his own. He promptly won and gave all the winnings to me. “Because you deserve them,” he said.

“Damn right,” I said under my breath. “That was my card.”

QUESTIONS

- 1. Name the town mentioned in “Last Chance to Turn Around.”
- 2. Who wrote and released “Love Is All Around”?
- 3. Which group wrote and released “The Tracks of My Tears”?
- 4. Who wrote “Anticipation”?
- 5. Name the song that contains this lyric: “I know you don’t know what I’m going through, Standing here looking at you.”

ANSWERS

- 1. Brooklyn, in the 1965 song by Gene Pitney. Besides creating his own hits, Pitney penned chart toppers for others, including the Crystals, Ricky Nelson, Vikki Carr and Roy Orbison.
- 2. The Troggs, in 1967. The song charted around the globe, but it really took off when Scottish band Wet Wet Wet covered the song for the film and soundtrack Four Weddings and a Funeral. Their version topped the charts nearly everywhere.
- 3. Smokey Robinson and the Miracles, in 1965. In 2021 it was ranked as “The Greatest Motown Song of All Time.”
- 4. Carly Simon, in 1971.
- 5. “Hurt So Bad,” by Little Anthony & The Imperials, in 1964. The song was a hit for the group, especially after they sang it on The Ed Sullivan Show. The song has been covered by numerous others, including The Lettermen and Linda Ronstadt.

He had other rituals he observed along the way. Like, taking off his cap, turning it around three times then putting it on backwards.

Then we were on to a special game, so we had to pay careful attention to our cards.

“Oh, I’m on,” said Kate excitedly. “Come on eleven. Come on eleven.”

Then Jack was also on for twelve and I felt left out.

Suddenly Kate yelled, “Bingo!” and Jack grabbed for her card. She wasn’t letting go, however, and held her card out of reach.

“I just want to absorb some energy from this winner,” Jack explained, but Kate was having none of it and blocked him until the floor worker showed up to verify her card.

“Now may I touch it?” asked Jack.

“No,” said Kate as she turned her chair slightly away from him.

Another game came up and we were obliged to pay attention to our cards.

“I was on again,” moaned Jack. “I am coming so close. If you had let me touch your card, I would have won.”

Kate ignored him and he began to chant “yellow submarine,” just loud enough to annoy me a bit, too.

Just before we were done for the evening, Jack won and was ecstatically happy.

“I want to take you out for drinks or dinner to celebrate,” he said. But Kate was having none of that.

“You have provided us with enough entertainment to last a whole week. We will just take what we’ve got and be thankful. See you next time.” And with that she walked out of the building.

- * When you finish a wood-working project, save your leftover bits of sandpaper and use them to sharpen your scissors. All you need is a piece long enough to make a few cuts through.
- * “Plastic grocery bags are handy for so many uses, but keeping them organized was always a pain, until I discovered that I could use an empty tissue box to store them. I just ball up each bag individually (so there is no air trapped) and stuff it in the tissue box. You can do the same thing for larger amounts of bags by using an empty 12-pack box from soda. I store one of these in my shop.” — Fred C. from Pennsylvania
- * “Tired of squirrels on your bird feeders? String a line of 2-liter soda bottles (as many as you like) together, and hang them between two trees, with the feeder in the middle. Works like a charm.” — C.V. in Maine
- * If your kids (or you) like cereal, be sure to save the heavy plastic liners that hold the cereal inside the box. They are really handy when freezing meat patties in stacks. You can use them to separate layers of cookies, too.
- * “I just finished packing up my house to move, and this little tip was a dandy: Use a toothpick to keep the open end of your tape from disappearing. When you cut the tape, slip a toothpick at the end that’s still on the roll. You will never have to go fishing for it again.” — L.K. in New Mexico
- * If your water takes a minute to warm up, keep a pitcher by the sink. Let the water flow into the pitcher until it gets warm. Then, use that water (that otherwise would have been wasted) on your houseplants and in your garden.
